

**Community Health/Wellness
Service/Organization**
[Awards Intervention 6a]

A health service/program/class provided in a community by a national or local organization or group (you don't have to re-create the wheel). For example, tobacco cessation (MT Tobacco Quit Line: 1-866-485-QUIT), Weight Watchers, 12 step programs, health fairs, lecture/event at college/university, diabetes education (or other) classes at local hospital or health care clinic, and national organizations such as the American Cancer Society, American Heart Association, etc. Check out the Montana Department of Public Health and Human Services (DPHHS) website for a variety of programs in Montana:
